EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael J. Blankstein on April 28, 1998.

2. The application has been amended as follows:

In claim 1, in line 2 "hold" has been replaced with --substantially totally enclose".

In claim 9, in line 2 "holding" has been replaced with --substantially totally enclosing--.

3. The following is an examiner's statement of reasons for allowance:

Independent claims 1 and 9 and claims dependent therefrom are deemed to distinguish over a possible obvious combination of Hayhurst et al and Garwood patent 4,840,271 of record, and McKedy patent 5,262,375 for recitation in claims 1 and 9, respectively, "first package...substantially totally enclose ("enclosing")...raw meat". This prior art collectively would otherwise be deemed to make claims 1 and 9 obvious by collectively suggesting a first package of a tray for holding (but not substantially enclosing) a retail cut of raw meat, etc. Independent claim 10 and claims dependent therefrom are deemed to distinguish over such prior art for recitation of "sealing said first package".

Art Unit: 1723

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
